The screenshot shows a mobile application interface for document verification. At the top, there is a navigation bar with a back arrow on the left, a currency display showing '20.00 USD' and '17.09 USDT' with a right-pointing arrow in the center, and a hamburger menu icon on the right. Below the navigation bar, the title 'Document verification' is displayed in bold. Underneath the title, the text 'Photo of your Id card' is shown with an information icon (a circle with an 'i') to its right. Below this text, there are two light gray rectangular buttons. The left button features an icon of a document with a horizontal line and the text 'Upload front side'. The right button features the same icon and the text 'Upload back side'. At the bottom of the screen, there is a large, dark gray rectangular button with the word 'Next' in white text. In the bottom right corner, there is a red circular chat bubble icon with a white speech bubble inside and a small red circle with the number '1' next to it.

11. Then the screen will appear as shown below then choose the first option if you are from “United States of America” or second option for any other country. Then click “Continue”

The screenshot shows a mobile application interface for verification. At the top, there is a navigation bar with a back arrow on the left, a currency exchange rate '20.00 USD → 17.09 USDT' in the center, and a hamburger menu icon on the right. Below the navigation bar, the heading 'Let's get you verified' is displayed in a bold, dark blue font. Underneath the heading, there are two lines of text: 'Before you start, prepare your identity document and make sure it is valid' and 'We also require you to agree to the :processing of your personal data'. Below this text, there is a section titled ':I'm a resident or live in' in bold dark blue. This section contains two radio button options: 'United States of America' and 'Other'. At the bottom of the screen, there is a large, rounded rectangular button with the text '< CONTINUE'.
