Step 6 – Entering the bank details

- ▶ The client chooses the country of bank account
- ▶ Login the bank account and confirm the payment

The screenshot displays the ING website interface during the account setup phase. At the top, the ING logo is visible. The main content area features a white box with the heading "Welcome to your bank". Below this, there is a dropdown menu labeled "Country of your ING account" with "ING The Netherlands" selected. A blue "Next" button is positioned to the right of the dropdown. Below this section, another white box contains a security warning: "Controleer altijd in je browser of het internet adres begint met https://myaccount.ing.com". This is followed by the heading "Log in bij Mijn Account". Below the heading are two input fields: "Gebruikersnaam" (Username) and "Wachtwoord" (Password). A checkbox labeled "Onthoud mijn gebruikersnaam" (Remember my username) is located below the password field. At the bottom of the box, there is a blue "Inloggen" (Login) button and a link "Inloggegevens kwijt?" (Forgot login details?). The ING logo is also present in the top left corner of the lower section, and the text "NLD | nl" is in the top right corner.
